WINDSOR MODEL YACHT CLUB

An excellent end to the season as some 14 skippers took part in the Annual Polar Bear get together held at the Windsor Campground Pond.

Once again Tim Horton coffee, donuts & chili was supplied by Vice Commodore Joost Gragtmans.

Thank you Joost!

Polar Bear Edition

Good fellowship was the order of the day as a foggy morning unfolded into a glorious fall day. Good wind provided for spirited informal racing. WMYC sailors were joined by out of town guests Frank Vella & Jim Hale from Detroit and Rod Harle from London. Harle made a two hour drive in foggy conditions to attend.

An eclectic fleet of 6 US1M's, 12 Solings, 1 Footy and 1 Pond Yacht were on the water.
